11 The Dy. has made his proposals regarding Govt contribution for school buildings to be constructed at the head-quarters of a taluk or district, by private individuals.

(1) Setting apart a sum of Rs 20,000, out of two lakhs ~~[illegible]~~ sanctioned for school buildings. The chief Engineer has stated that he has no obj^n. orders may be passed accordingly

(2) That he may be empowered to sanction grants up to a limit of Rs 1000/- in each case. In G.O. No 4933-55/E&A 32-14-10 of 21st May '15, the Dy. has been empowered to sanction grants up to a limit of Rs 500. He has also been temporarily empowered to sanction estimates up to Rs 1000.- for a period of one year.

12 To comply with his present request would require a corresponding change in the provisions of the grant-in-aid code and raising his powers of sanctioning estimates. It is not clear from his letter under reference that there are many such cases before him. The necessity for modifying the code is not made out. Govt setting apart Rs 20,000 implies readiness on the part of Govt to sanction grants. We can therefore anticipate such sanction. But ~~if~~ when the no of such applications increase and if any delay is experienced by them, it will then be time to have the provisions of the code modified.

SIR,

With reference to Government Order No.406-8/Edn.208-13 dated 23rd September 1914 directing that a sum of Rupees two lakhs may be provided in the D.P.W. Budget every year for six years commencing from 1914-15 for the construction of buildings for Colleges and Schools other than Village Schools, I have the honour to state that people are coming forward to construct school buildings at District and Taluk Head Quarters and are applying for grants. As there is no provision in the Educational budget to meet this item, I request that Government may be pleased to set apart Rs.20,000 out of the 2 lakhs of rupees for giving grants-in-aid. The amount is easily available, as the Public Works Department has not been spending the full amount sanctioned by Government, they having utilized only Rs.47,671 during 1914-15 and provided only Rs.96,500 in the Budget of 1915-16. I also request that Government may be pleased to empower me to sanction grants up to a limit of Rs.1,000 in each case for such buildings.
